Sang mêlée, citoyenne universelle... Je vis, j'expose ici
et ailleurs... Mes pas, mes méandres, mon histoire...
Me mènent aux autres... A l'autre... Aux histoires...
A l'histoire... A moi... A mon monde de lumière...
A la vie... Mon Art.

Mixed blood, universal citizen... I live and exhibit here
and else where... My steps, my meandering, my history
brings me to the others... At the other... the histories...
At the history... To me... To my world of light...
To life... My art
